

# Acrustat Software and Server

For wireless download of Acrulog data, viewing and graphing data, configuration of loggers and access to the server for telemetry enabled models.

## TYPICAL APPLICATIONS

Graphing of Acrulog data  
Data analysis and presentation  
Joining and overlaying multiple sessions and graphs  
Configuration of Acrulog loggers  
Server access for modem loggers

# Acrustat

## FEATURES & BENEFITS

- Custom-made package for Acrulog logger data
- Access to Acrustat server for telemetry logger data\*
- Export data to a variety of formats including .CSV
- Clear log and set time buttons for quick logger reset
- Email data from Acrustat via email client<sup>#</sup>
- Acrulog logger parameter set-up and configuration
- Instrument and session explorer for data analysis
- Automatic connect and pairing<sup>^</sup>
- Add labels, adjust axis ranges, and print direct
- Join sessions and overlay data on a single graph

# Acrustat — Acrulog data access

Custom Acrustat software has been designed for easy download and graphing of Acrulog data and configuration of Acrulog loggers. Keep a library of your scientific data for analysis at your fingertips and quickly configure your fleet of loggers for deployment.

## SPECIFICATIONS

Operating System	Windows 7 (Windows 10 preferred)
Memory	1GB (Installed RAM) with 2GB free hard disk space
Processor	Intel core i3 (core i5 preferred)
<i>Bluetooth</i> <sup>®</sup> wireless technology	<i>Bluetooth</i> <sup>®</sup> 4.0
Display Resolution	800 x 600 at 100% (96 dpi)
USB Connector	USB 3.0 (For USB Installation)
Internet Connection	Required for Acrustat server feature *(Only for telemetry enabled loggers, requires login details)

## ACRUSTAT STANDARD FEATURES

Email Data	Email data from Acrustat via email client #(Designed for Microsoft Outlook 2016)
Automatic Connecting and Pairing via <i>Bluetooth</i> <sup>®</sup>	Requires feature to be enabled. ^(subject to computer system setup and capabilities)
PC Data Storage	Acrustat data base (Instruments tab) Computer file directory (Session Explorer tab)
Exporting Data	Export data to a variety of formats including: .acrudata, .csv, & .jpg
Adjust Parameters	Adjust Acrulog logger parameters when connected via <i>Bluetooth</i> <sup>®</sup>

## ACRUSTAT SERVER FEATURES\*

Server Data Storage	Acrustat Server (Cloud system)
Remote Parameters	Adjust most parameters remotely. Adjustment will only take effect upon next successful transmission of the Acrulog logger.

Manufactured by:  
Acrulog Pty Ltd  
Unit 2/25 Redcliffe Gardens Drive  
Clontarf QLD 4019 Australia
